Dear colleagues,

Mandibular reconstruction is a cornerstone of our specialty, and we are excited to share our expertise with you in this vital field. As part of our ongoing course, we warmly invite you to participate in a hands-on workshop focusing on mandibular reconstruction using human cadaver specimens.

This workshop will feature detailed case presentations, an anatomical overview, and a comprehensive, step-by-step guide to fibula harvesting and mandibular reconstruction utilizing the medicon hybrid plate system.

We look forward to your participation and to exchanging valuable insights together.

Yours sincerely,

Prof. Dr. Dr. Marco Kesting

Prof. Dr. Dr. Rainer Lutz

PD Dr. Dr. Christopher Nobis
